Wreath Laying at Tomari International Cemetery

Lead by WB R. Cleckley Brothers of Teikoku placed a wreath commemorating Memorial Day at Tomari International Cemetery in Naha. The Tomari International Cemetery contains graves of American service members fallen in World War I, World War II, the Korean and Vietnam Conflicts. The Brothers of Teikoku were joined by the Personal Representative and Brethren of Scottish Rite Valley of Kitanakagusku and Brethren from MWGLPH Washington jurisdiction.

Tomari International Cemetery was established after Commodore Perry signed the *Treaty of Peace and Amity with Japan* in 1854. The commemorative site was sacked in the Battle of Okinawa in 1945. However, this place of honor was re-established a decade later to remind those of the sacrifice. Tomari International houses the remains of at least 3 Brothers, thoughts and prayers were extended to mark the occasion.

WORSHIPFUL'S CORNER & SECRETARY'S SPACE

Fraternal Greeting from the East. The Brethren of Teikoku Lodge No. 19 would like to welcome our Brothers whether so dispersed as we release our first edition of *On The Level*. The purpose of this newsletter is to inform, teach, and bring our Brethren closer together. We would like to let you know that you are not forgotten and remind you all that we are in hailing distance.

As this is the first edition, we will keep it simple. Please provide useful suggestions and comments so that we may improve this newsletter. Many thanks to our newly obligated Master Mason, Bro Gabriel Archer, for taking the time to put this newsletter together.

FEATURED BROTHERS

Doing Work

Teikoku Lodge #19 has initiated 3 Brothers this quarter, Bros. Steven M. Cordoba, Lawrence D. Parrish and Maurice Brown. Each met the occasion with a boundless curiosity, wonderment and the deportment fitting of a Mason. Let us celebrate our newly entered brother's first steps in our ancient fraternity.

During the quarter Brothers Steven Cordova and Gabriel Archer gave their proficiency returns for Entered Apprentice and Fellow Craft respectively.

For more highlights of the work being done in Lodge and the latest happening ask to be added to the Teikoku Lodge #19 closed Facebook group.
